Women Empowerment Cell

Activity Report

On behalf of “Women Empowerment Cell” an event was conducted at APS Engineering College on 28th November 2023 on Cultural Exchange Programma by Mrs. Urte, Vice Principal, Theodor-Huess-School, Essen, German and Dr. A Subramanian, Principal School of Yoga, Pyramid Valley International, Bangalore.

An interaction session was arranged with all women teaching, nonteaching and students of various departments of APSCE by Mrs. Urte. She explained about the Education system, Culture, Social life and placement opportunities in Germany. And she appreciated the Indian culture, Education system and hospitality. Our students got benefited with good information regarding placement opportunities in Germany from Mrs. Urte.

Our another resource person Dr. Subramanian, Principal School of Yoga, Pyramid Valley International, Bangalore gave a talk on importance of personal health and benefits of yoga in our daily life. Some yoga asana’s thought to our students. He invited our staff and students of APSCE to their school of yoga to involve in more session to improve our mental and physical health.
